

# cutandkeepindex

January to December 2010

Our index for *ABC Gardening Australia* magazine is now bigger but also simpler, with most topics listed under Plants or Practical. Keep these pages as a handy reference.

## PLANTS

|  |     |      |   |     |      |  |     |      |
|--|-----|------|---|-----|------|--|-----|------|
| <i>Acacia cognata</i> 'Emerald Curl'             | Jun | p29  | Chinese tallow tree                           | May | p13  | propagating                                    | Oct | p72  |
| <i>Actinidia kolomikta</i>                       | Feb | p47  | Chinese trumpet creeper                       | Feb | p66  | relocating                                     | Mar | p77  |
| Agapanthus                                       | Dec | p40  | Chinese winter-hazel                          | Jul | p37  | white (Singapore)                              | May | p22  |
| <i>Ajania pacifica</i>                           | Oct | p107 | Chrysanthemum                                 | May | p27  | Franklin tree                                  | May | p14  |
| <i>Aloe</i> 'Erik the Red'                       | Aug | p18  | Citrus:                                       |     |      | Fuchsias, problems with                        | Jun | p76  |
| Alpine totara ( <i>Podocarpus nivalis</i> )      | Jun | p43  | problems with                                 | Jul | p76  | Fungus (craypot stinkhorn)                     | Jun | p76  |
| Apples, dwarf                                    | Jul | p58  | yellow leaves                                 | Oct | p107 | Gardenia, problems with                        | Sep | p90  |
| Arrowroot  | Jan | p60  | Claret ash                                    | May | p13  | Geranium:                                      |     |      |
| Autumn plants                                    | May | p12  | Clematis:                                     |     |      | 'Big Red'                                      | Jun | p31  |
| Azalea, problems with                            | Aug | p77  | <i>C. aristata</i>                            | Aug | p66  | cuttings                                       | Apr | p68  |
| Banana   | Jan | p60  | growing                                       | Oct | p15  | growing  | Oct | p15  |
| <i>Banksia serrata</i>                           | Mar | p77  | traveller's joy                               | Mar | p47  | Giant yellow shrimp ( <i>Barleria micans</i> ) | May | p16  |
| Beauty berry ( <i>Callicarpa dichotoma</i> )     | May | p14  | Clover  | Nov | p106 | Ginger:  |     |      |
| Begonias, taking cuttings                        | May | p68  | Cocoyam                                       | Jan | p60  | edible   | Jan | p51  |
| Berries, fruiting                                | Feb | p60  | Conifers, colourful choices                   | Jun | p42  | ornamental                                     | May | p71  |
| Billy buttons ( <i>Craspedia</i> spp.)           | Jun | p34  | Cordyline                                     | Aug | p14  | Glory vine ( <i>Vitis coignetiae</i> )         | Apr | p49  |
| Bird of paradise ( <i>Strelitzia reginae</i> )   | Aug | p14  | Correa  | May | p44  | Golden hop                                     |     |      |
| Blossom trees, ornamental                        | Sep | p58  | Cosmos:                                       |     |      | ( <i>Humulus lupulus</i> 'Aureus')             | Sep | p52  |
| Bluebells  | Sep | p24  | growing                                       | Oct | p15  | Golden mock orange                             |     |      |
| Blueberry creeper                                |     |      | 'Little Lucifer'                              | May | p16  | ( <i>Philadelphus coronarius</i> 'Aureus')     | Sep | p52  |
| ( <i>Ampelopsis glandulosa</i> )                 | Apr | p49  | Crabapple                                     | May | p14  | Grapefruit                                     | Nov | p106 |
| Blue ginger ( <i>Dichorisandra thyrsiflora</i> ) | Jan | p32  | Crazy filbert                                 |     |      | Grapes, ornamental                             | Apr | p48  |
